

The Astrology in Jin Shin Jyutsu

This class is meant to be an exploring of the astrological aspects in JSJ. Mary gave us this bounty of relationships of planets and sign to flows and SEL.

We will dive into the ancient archetypes and energetic pattern behind this knowledge to further deepen our awareness of the Art and most of all: "Getting to Know Myself".

No astrological knowledge is needed to benefit from the class, it is designed to serve everybody who has love for Jin Shin Jyutsu.
It would be good to bring a personal chart, but it is not at all needed.
